

## SHAMBHALA

Celestine Retreat's on site Wellbeing Centre can allow you to really indulge your senses with massage, reiki, facial and hot tub.

On site wellbeing treatments provide a convenient method of alleviating the stress inherent in everyday life. A 50 minute massage/reiki session relieves tension, reduces irritability and rejuvenates the body and mind. All treatments are carried out by Certified experienced practitioners.

**MASSAGE** - a gentle non-intrusive relaxing massage. Benefits the muscular and nervous systems, improves circulation and provides a deep sense of wellbeing.

**REIKI** - (pronounced Ray-Key) is a method of natural healing based on the application of Universal Life Force energy or Chi. Assists in bringing emotional, mental and physical wellbeing and balance.

**FACIALS** - We use Denmark's own Elemental range of skin care. Natural organic ingredients for treatment of all skin types.

**HOT TUB** - Pure rain water filled, 6 person, luxury, thermostatically controlled to 39.5 celcius turbo hot tub. Enjoy superb ocean and valley views, whilst sipping your favourite Denmark wine.
